THE SMALL SHIP ADVANTAGE™

American Cruise Lines is the largest U.S. cruise line with more ships, itineraries, and options than any other. Our secret to success is the small size of each ship.

Small Ships Fit in Port ★ Where others run one behemoth ship, we operate multiple small ships. Each can navigate the widest range of river and sea conditions, offer the greatest breadth of itinerary options, and, most importantly, fit harmoniously in the communities we visit.

The Newest Ships ★ Each small ship offers all the amenities and comforts sophisticated travelers have come to expect. In 2018, American Cruise Lines revolutionized river travel with the first truly modern ships on the U.S. rivers. With the most environmentally friendly fleet in the country, each newly constructed ship is the perfect venue for responsible exploration.

The Largest Staterooms ★ For fifty years, American Cruise Lines has taken pride in the generous size of our staterooms, which average over 350 square feet. Although each ship may be small, we challenge you to find larger onboard staterooms anywhere. Plus, every new ship has staterooms with private balconies and floor-to-ceiling glass doors.

Most Itinerary Options ★ Our fleet offers more than 50 itineraries visiting 35 states. With different ship styles, itineraries, and seasonal specialty cruises, the breadth of options provides something for every interest.

SOPHISTICATION ON THE RIVERS

★ *American Cruise Lines Leads the Way* ★

WHAT WE ARE NOT

American Cruise Lines does not follow the competition. While others may offer Mega-Mississippi riverboats, or older ships with gimmicks to bring you aboard, we are proud of what we are not:

- ✘ No big ships,
No Mega-Mississippi ships
- ✘ No overtourism or crowding ports
- ✘ No pre-paid beverage packages
- ✘ No casinos
- ✘ No pools
- ✘ No small staterooms
- ✘ No inside staterooms
- ✘ No fake "French" balconies
- ✘ No nickel and diming – no point of sale displays
- ✘ No overpriced shore tours
- ✘ No gimmicks
- ✘ No lines

ONBOARD ENRICHMENT

Resident Historians & Experts ★ Every cruise features an onboard expert who hosts discussions and is available throughout each day to add context to your journey along the river. These accomplished professionals also provide briefings on each port, offer their recommendations based on your interests, and connect the stories of each destination to the history of the river.

Nightly entertainment ranges from interactive lectures to live musical performances in one of the ships' inviting lounges. Resident entertainers provide light music in the afternoon, while renowned artists join us in the evening for world-class entertainment.

ONSHORE EXPERIENCES

Each of our small ships provides a genuine and customized exploration of areas inaccessible to large ships and crowds, allowing us to explore small towns in the most meaningful way possible. Our guided shore excursions bring out the distinct flavor and unique culture of the destinations visited.

Through a careful understanding of our guests, we provide an enriching, destination-focused experience. Small groups visit historic homes, farms, music venues, and more, as we discover each unique place. Every excursion is led by a local guide and accompanied by an American Cruise Lines' team member who is always available to assist.

OUR CULINARY PROGRAM

Our team of master chefs prepares a traditional American menu with a regional flair that features the freshest local ingredients. Fresh foods are brought aboard daily, some from the farms and vineyards that we visit along the way. Our culinary program is one more way that we connect your onboard experience to the destinations we visit.

MADE IN AMERICA

American Cruise Lines is an all-American family company. Every itinerary is domestic, but it only starts there. Every crewmember is American, the company is 100% American owned, and each ship is designed and built here.

Each new ship begins at Chesapeake Shipbuilding with our team of in-house naval architects and marine engineers. The ships are designed in the U.S. for operation in the U.S., including compliance with U.S. regulations and vessel specifications that match the operating region.

Chesapeake then begins the vessel construction in Salisbury, MD. Steel is sourced from U.S. manufacturers, primarily in Alabama and Pennsylvania. Engines and generators are from a host of American names, including Caterpillar, John Deere, and Cummins, and the list of U.S. parts goes on. The men and women at the yard bring all these pieces together to create each ship.

Once built, the ship becomes one of very few cruise ships that is truly American. It is registered in the U.S. and flies the American flag at the stern, where ships display their nation's flag.

Our dedicated all-American crewmembers bring the ship to life and share our interest in exploring the U.S. Many of the crew have sailed with us for years, while others are looking for an adventure as they define their careers. Over the course of a year, we travel to a host of American ports – more than 150 towns in 35 states. From the lines in the design lab to the steel in the yard and the smiles of our crew, **we are American.**

With Our Cancel For Any Reason Protection Plan

We want to put your mind at ease from anything that may arise before your cruise with our Cancel For Any Reason Protection Plan.

Cancel for ANY Reason ★ This plan provided by American Cruise Lines allows you to cancel for ANY reason and receive a money-back refund or the issuance of Cruise Credits beyond our standard cancellation terms.

Simplified Process ★ If the unexpected does occur, we offer an easy cancellation process that ensures you receive your money-back refund or are issued Cruise Credits quickly.

Affordable Peace of Mind ★ We created the Cancel For Any Reason Protection Plan to provide you with peace of mind at an affordable price as you prepare for your cruise. Plan pricing is simple and based on the cost of your cruise package.

This is not insurance. The Cancel For Any Reason Protection Plan is a cancellation fee waiver program provided by American Cruise Lines. It is an addendum to American Cruise Lines' Passenger Contract that replaces the Passenger Contract's standard cancellation terms.

We look forward to having you on board, but understand that sometimes the unexpected happens.

For information on the Cancel For Any Reason Protection Plan, including the full list of definitions and terms, please contact American Cruise Lines, **800-894-8570**, or visit **[AmericanCruiseLines.com/general-information](https://www.AmericanCruiseLines.com/general-information)**

General Information

The following information will answer many of your questions about the details of your cruise. For additional information, please call American Cruise Lines at **800-814-6880**.

Departure Ports: All departure ports are located near major airports. Transportation between the airport and ship may be available for an additional charge. Parking is available at all departure locations at nearby commercial garages or lots at a reasonable weekly rate.

Departure Times: Cruises depart at 1:30 p.m. or earlier if all passengers have arrived. Passengers may board after 11:30 a.m. Crew members will carry your luggage to your stateroom. Passengers are recommended to arrive no later than 12:30 p.m. Cruises sometimes return the evening before the last day of the cruise, and passengers may stay on board until 8:30 a.m. on the last day. Breakfast is served on the last day of every cruise.

All-American: American Cruise Lines offers a unique experience that emphasizes the history and culture of the United States. American Cruise Lines is an American company and operates ships which are built and registered in the United States. Additionally, all crew members and employees are Americans.

Reservations: Reservations should be made as far in advance as possible to ensure the availability of the cruise and stateroom choice.

Fare: American Cruise Lines, Inc.'s per person fare includes passage, dining service, snacks, complimentary cocktail parties, and entertainment aboard the ship. Fares do not include most shore excursions (unless otherwise noted) or port charges and fees. Guests are not expected to leave a gratuity on board.

Shore Excursions: Every American Cruise Lines shore excursion falls into one of three categories: 1) **FEATURED** shore excursions are complimentary. Featured excursions are selected excursions which

typically are offered daily on Columbia & Snake River, Mississippi River, and Alaska Cruises. 2) **PREMIUM** shore excursions typically cost between \$20 and \$70 and may be purchased on board with your Hotel Manager. 3) **SIGNATURE** shore excursions are particularly unique excursions with limited availability and which often cost more than \$70. We recommend that you reserve these excursions in advance with your Cruise Specialist. For more information on shore excursions, please visit www.americancruiselines.com or speak with your Cruise Specialist.

Single Occupancy: Single cabins are available on all ships. If one person chooses to occupy a double stateroom he/she will be charged 150% or 175% of the double occupancy rate depending on the type of stateroom occupied.

Deposits and Payments: A deposit of \$500.00 per person is required to confirm any reservation on trips of 9 nights or less, and a deposit of \$900.00 per person is required to confirm any reservation on trips of 10 nights or more. Comfortable walking shoes, windbreaker, sweater for cool evenings, and light rainwear are also recommended items. 110-volt household current is available in all staterooms for electric appliances.

Dining Service: Meals are served in the spacious dining salon, which accommodates all passengers at one seating. The day's menu is announced well in advance, and consists of fresh meats and seafood, as well as in-season fruits

and vegetables. Special menus are available to passengers on restricted diets. Most special dietary needs can be accommodated, though advance notice is appreciated. All meals are prepared to order. Coffee, non-alcoholic beverages, and snacks are available 24 hours a day.

Itineraries and Sailings: American Cruise Lines Inc., does not guarantee departure point, termination point or any intermediate stop. Itineraries, schedules, routes, ships, and staterooms are always subject to change at any time without notice due to weather conditions, availability of docks, shoaling, river conditions, operation of locks, mechanicals, or any other reason. The times and dates of departure
